DELIVERING CONTACT CENTER SOLUTIONS

ASHAUN delivers exceptional customer service to your customers, invisibly and seamlessly. Our team ensures that your customer relationships and brand loyalty are not merely retained, but significantly improved. That frees your time and resources to focus on your company's core competencies.

ASHAUN will not only deliver higher customer satisfaction, but also significant cost savings to your company.

We use analytics, quality assurance monitoring, and rigorous performance standards to strengthen ASHAUN's ability to understand and effectively respond to your customers' needs.

OUR PEOPLE.

At ASHAUN, our people make the difference. By identifying, training and retaining the best in our industry – ASHAUN's human assets stand second to none. ASHAUN's management staff alone brings more than 30 years combined call center experience.

TAILORED TO YOUR NEEDS.

ASHAUN is also committed to developing strategies that effectively anticipate growth and change in your company's needs and requirements. We partner with your company to create the optimal solution – including tailored reporting and performance monitoring. We believe creating customized measurement tools meaningful to your company's objectives critical to *ensuring that we deliver what we've promised, 100% of the time.*

We also use skill-based employee screening and selection, numerous levels of quality assurance monitoring, and performance recognition to ensure that our team is a knowledgeable extension of your own human assets.

YOUR CUSTOMERS.

ASHAUN believes – and will demonstrate – that each contact presents a myriad of opportunities that must not be overlooked. By leveraging each call interaction,

YOU'RE IN GOOD COMPANY / ASHAUN'S CLIENTS:

“Ashaur's call center performance for the Tennessee Lottery has been superb.”
